Greeting WAMCAT Members,

We are pleased to announce that **WAMCAT** and our national affiliate, APT US&C, are partnering to provide a new E-List service for WAMCAT members for ease in sharing information and asking questions on issues affecting all of us as treasury professionals.

Here's how it works... You can send one email through the WAMCAT E-List and all WAMCAT members who subscribe to the list will receive the email. When you subscribe:

- you will have an instant connection with peers in WAMCAT
- you can control how emails are received to your inbox
- all questions and answers are archived as searchable resources for future reference
- you control if your responses are shared with the entire list or directly to the person asking for information
- you have the ability to unsubscribe at any time

To connect to the new WAMCAT E-List, subscribe in one of the following ways:

- If you are a member of APT US&C and already have login credentials to the APT USC.org website, you will automatically be added to the WAMCAT E-list.
- If you are not a member of APT US&C, (which is not a requirement) we have assigned you a profile and login credentials to the APT US&C website. Your username is your first and last name (all lower case and no spaces) *Example: angelajohnson*; your password is first name initial, full last name and 2024 (all lower case and no spaces) *Example: ajohnson2024*. We do not include any confidential information in your profile for the WAMCAT E-List. You can reset your password at any time. You will be automatically added to the WAMCAT E-list.
- You will receive a welcome message from APT US&C with additional details of the service. You are encouraged to "whitelist" WAMCAT@aptusc.memberclicks.net and WAMCAT@memberclicks-mail.net with your IT support team to ensure the emails are not blocked or sent to your junk folder.

Please note the following guidelines for the E-List service:

- Members are prohibited from using E-List for commercial purposes or personal business.
- When posting to the E-List, members shall be respectful, professional, and courteous.
- Information and discussion regarding proposed legislation relevant to the WAMCAT is encouraged; however, political messages, campaigning, candidate support or defamation are not allowed.
- Private life events should not be posted on the E-List; however, occasional professional milestones (such as retirement) are permitted.
- The following is prohibited:
 - Defamatory, abusive, discriminatory, intimidating, profane and/or offensive language.
 - Using the E-List to falsely impersonate an individual, group, organization, or entity.
 - Sharing contests, chain mail, junk email or any other spam-type message.
- All information shared on the E-List must comply with all federal and State of Wyoming statutes.
- The WAMCAT does not support or reference the information on the E-List as accurate.

If you have any questions, please don't hesitate to contact me or APT US&C at 989-820-5205 or info@aptusc.org.

We hope you find the new E-List a useful benefit!

Angela Johnson, WAMCAT President
