A Legislative Note:

The bills that WAM will be tracking will be listed on the WAM website at <https://wyomuni.org/>. At the top of the page use the drop down on Advocacy, click on Follow Legislation and just above Bill Search click on View all Tracked Bills.

There may be times when something is happening and you will receive a “call to action” email when WAM would need your help in contacting your legislators. Please watch for those and make sure your mayor and council members are receiving the information. This session is a budget session. WAM is going to be there supporting funding for cities and towns. Please reach out to your mayors and council members to make sure they are receiving the information they need.

WAMCAT E-List Communication

We are pleased to announce that **WAMCAT** and our national affiliate, APT US&C, are partnering to provide a new E-List service just for WAMCAT members.

Here's how it works... You can send one email through the WAMCAT E-List and all WAMCAT members who subscribe to the list will receive the email.

Using the E-List will make it easy to share information and ask questions of our members on issues affecting all of us as treasury professionals. When you subscribe:

- you will have an instant connection with peers in WAMCAT
- you can control how emails are received to your inbox
- all questions and answers are archived as searchable resources for future reference
- you control if your responses are shared with the entire list or directly to the person asking for information
- you have the ability to unsubscribe at any time

To connect to the new WAMCAT E-List, subscribe in one of the following ways:

- If you are a member of APT US&C and already have login credentials to the APT USC.org website, you will automatically be added to the WAMCAT E-list.
- If you are not a member of APT US&C, (which is not a requirement) we have assigned you a profile and login credentials to the APT US&C website. Your username is your first and last name (all lower case and no spaces) *Example: shelleyburesh*; your password is first name initial, full last name and 2024 (all lower case and no spaces) *Example: sburesh2024*. Please note: we do not include any confidential information in your profile for the WAMCAT E-List.

Restriction Considerations:

- Members should not use the Listserv for commercial purposes or personal business.
- When posting to the Listserv, members shall be respectful, professional, and courteous.
- Information and discussion regarding proposed legislation relevant to the WAMCAT is encouraged; however, political messages, campaigning, candidate support or defamation are not allowed.
- Private life events should not be posted on the Listserv; however, occasional professional milestones (such as retirement) are permitted.
- The following is prohibited:
 - Defamatory, abusive, discriminatory, intimidating, profane and/or offensive language.
 - Using the Listserv to falsely impersonate an individual, group, organization, or entity.
 - Sharing contests, chain mail, junk email or any other spam-type message.
- All information shared on the Listserv must comply with all federal and State of Wyoming statutes.
- The WAMCAT does not support or reference the information on the Listserv as accurate.
